

The University of Applied Sciences Wiener Neustadt is one of the top universities of applied sciences in Austria. It currently offers approximately 3,800 course places in its schools of Business, Engineering, Health, Security and Sport at the four sites in Wiener Neustadt, Wieselburg, Tulln and Rudolfinerhaus Wien. The University of Applied Sciences Wiener Neustadt and its sites currently offer 37 bachelor and master degree programmes in German and English. More than 380 employees and 1,300 lecturers ensure the education provided has a high practical relevance and that the teaching is modern and efficient. To further enhance our site in Wiener Neustadt, we are looking to fill the following position to start as soon as possible

## • **Research assistant at the FHWN Start Up-Center** (Part-time | 20 hours | Wiener Neustadt)

Not only are we shaping the next generation of company founders, we are also supporting our employees in their use of service inventions. We consider ourselves to be an interface between academia and industry, meaning we will make a considerable contribution to technology transfer in the future. It is through this that we will continue to create ground-breaking perspectives, a regional change in structure and an improvement of growth opportunities for company founders.

### **What we expect from you**

- A degree with good to very good basic economic and technical understanding (ideally undertaking a master's degree)
- High affinity with the subject of start-ups and corporate foundation, new media technologies and ideally some of your own experience of company foundation (or an intention to found a company)
- Ability to immerse yourself in new business models
- Very good ICT skills (MS Office)
- (Practical) experience with MS WordPress for regular updating of our [www.fhwnstartupcenter.at](http://www.fhwnstartupcenter.at) website
- Very good written and spoken English
- A talent for organisation, proactive mindset and approach, independent way of working and high level of motivation to provide a positive contribution to the further development of the FHWN start-up center in a dynamic environment

### **Administrative information:**

- Working hours are flexible (20 hours a week)
- Start date: by arrangement (February 2019)
- Fixed-term contract of max. 1 year, e.g. until February 2020. We hope to extend this collaboration in the future.
- Payment € 950 gross per month

Please send your application including all relevant documents (letter of motivation and CV) to Dr. Thomas Wally, CFA, head of Start Up-Center [thomas.wally@fhwn.ac.at](mailto:thomas.wally@fhwn.ac.at)
