## YOU HAVE A BUSINESS IDEA?

We support you!

### The FHWN Start Up-Center!

We are the first point of contact for innovation-oriented people and support young innovators and entrepreneurs in implementing their business ideas and inventions.

## BENEFIT FROM OUR SERVICES

You are a student, an employee or a graduate of the FH Wiener Neustadt, you have a great idea & you want to start your own company?

### Our services:

- Experts evaluate your innovative idea and support you in the further development of your business idea
- We support you in creating your business plan & developing your business model
- Advice on starting a business
- Coaching & mentoring, events, workshops
- A large network of experts, founders, entrepreneurs and funding institutions
- FHWN Creative Talk – the meeting for people with entrepreneurial spirit and innovative ideas - every first Thursday of the month at 6 pm at the “Burgerrestaurant Atmosphere” (Wiener Neustadt)

## OUR ACCELERATOR PROGRAM

Every year, we accept the **best teams** to our FHWN accelerator program and assist in the further **development of your business idea**. **Mentors, investors, companies, service and sales partners** support the teams in developing their business models. In weekly **working sessions and regular workshops**, we **prepare** the teams for the **final pitch** in front of a jury of **selected experts and investors at the demo day in June**.

In the **future exclusive Co-Working Space** will be available for our teams at the new FHWN City Campus: **office space, meeting- and conference-rooms** with fully equipped and modern infrastructure. This range of services enables start-up companies to **concentrate on their prime tasks** right from the start.

Applications are possible from now until 31 December 2018. Fill out the enclosed application form and send it to [startupcenter@fhwn.ac.at](mailto:startupcenter@fhwn.ac.at).
