ENTREPRENEURSHIP WORKSHOPS WITH U.S. NGO 3 DAY STARTUP

- ▶ Learn how to start a new venture (without going to business school)
- ▶ Experience and apply U.S. entrepreneurial values and methodologies for design, innovation, and entrepreneurship
- ▶ Meet and collaborate with executives, climate experts, impact investors, and experienced entrepreneurs based in the United States
- ▶ Explore applications of entrepreneurship to address challenges in renewable energy, green buildings, mobility, urban waste management, and more

TECHNOLOGY & INNOVATION ECOSYSTEM TOUR

- ▶ Engage with U.S.-based founders and thought leaders in climate change, circular economy, and sustainable development
- ▶ Hear perspectives from a diverse group of leading institutions in technology and innovation such as MIT, Greentown Labs, SeaAhead, Raise Green, Blue Institute Labs, and more

CULTURAL IMMERSION

- ▶ Experience restaurants, museums, parks, performing arts, and boutiques in the Boston area
- ▶ Visit entrepreneurial communities of the coastal Northeast such as Portland, ME, Providence, RI, and Newport, RI

JOIN THE A2A ALUMNI NETWORK

- ▶ Become part of the *Austria To America* global community of innovators, entrepreneurs, investors, mentors, and alumni
